For kids two years of age  
through kids going into  
fifth grade for the  
2026-2027 school year

**Puggles®** recognizes the learning ability of **two year olds** by introducing biblical precepts at church and equipping parents to teach them at home. Toddlers love having their very own Awana club just like their older siblings.

In Puggles, children are welcomed each week with play time, songs and simple crafts and activities. Leaders present age-appropriate lessons using large, colorful teaching cards, finger puppet plays and more. Lessons teach and reinforce four basic Biblical precepts:

- God Made Everything
- God Saw That It Was Good
- God is Love
- Give Thanks

Special take-home cards that correspond to each week's lesson help parents nurture their child's faith at home. Participating in Puggles will give your child a head start on the path to loving and following God for life.

**Cubbies®** celebrates the spiritual potential of preschoolers (**three and four year olds and preK**) by helping them develop respect for God, His Son and His Word.

Preschoolers can hardly wait for their next Cubbies club meeting. Whether it's the fun puppets, the exciting games or all their Cubbies friends, they simply love it. At Story Time each week, preschoolers learn about God – the greatness of His love and His Word – and about His Son, Jesus Christ, the promised Savior. Non-competitive games build excitement and reinforce Story Time lesson themes.

Cubbies helps your child begin his/her Jesus journey at an early age.

**Sparks®** ignites the curiosity of early elementary-age kids to learn about the people and events of the Bible, building a foundation of wisdom for knowing Christ. To many children in **kindergarten to second grade**, Sparks is the highlight of the week! They love the concept of belonging to a club, the fun games and spending time with leaders and friends.

Sparks is divided into three years, each with a unique rank: HangGlider®, WingRunner® and SkyStormer™. Each year, Sparks clubbers:

- explore the biographies of people of the Bible from a new portion of Scripture
- memorize Bible verses
- complete handbook activities

**T&T** engages **third through fifth graders** by answering their questions about God and the Bible, guiding them through this pivotal life stage to grow in Christ's grace. Handbooks and large-group lessons deepen a child's knowledge about God and His Word and teach how to put that knowledge into action in everyday life.

Today, 10 to 12 year-olds, known as tweens, face unique pressures, demands and distractions. These factors can result in a marked increase in discouragement, apathy and disengagement. Christian children are not immune. Awana has responded by providing materials that helps to reinforce commitment, identity and community. Leaders focus on the unique challenges and needs of this age group.

The ultimate message to kids of every age group is that nothing is more important than their relationship with Christ and following His way of living found in the Scriptures.

AWANA club nights are divided into three rotations:

## SMALL GROUP TIME

Relationships and belonging begin in small groups as kids huddle up with a consistent leader from week to week to discuss Bible lessons, ask and answer important questions, pray together and complete handbooks.

## LARGE GROUP TIME

Kids and leaders come together in large group time for Bible study and to learn practical applications of Biblical principles.

## GAME TIME

**GAME TIME** gives the kids the chance to play fun games while learning teamwork, leadership, and communication skills.

## BELONG . BELIEVE . BECOME

Awana - makes a difference...

by providing a place for kids to **BELONG**, helping them to understand and **BELIEVE** God's truths so they can **BECOME** like Christ.
